RESERVATION PROCEDURES

- All reservations must be held with a credit card. Once a booking is confirmed verbally or by email, the tenant is obligated to guarantee the full rental amount.
- To receive a military discount the active or retired (receiving a pension) military member with a current ID card must be the primary resident of the rental. A discount will be granted on that individual's rental only. Military discount will be awarded on one unit, per family, per time-frame. No refunds for a discount will be given retroactively.
- Cancellations must be made by 2^{PM} the day before check-in. If you should fail to cancel by 2^{PM} the day before check-in, your credit card will be charged for the first night's room and tax for each room booked. When canceling a reservation, keep your cancellation number for your records.
- Reservations will be held until closing on arrival date. Check-in must be accomplished between 2^{PM} and closing on business day.
- The only person allowed to check-in is the person whose name is on the reservation.
- A rental unit assignment will be based on the number of occupants and length of stay. Special requests are noted and maintained in the reservation system; however, specific room numbers or locations cannot be guaranteed.
- We have a no refund policy. Once check-in has occurred, we do not refund due to weather or any other circumstances.
- PETS ARE ONLY ALLOWED IN RV AREA. Violation of this regulation will result in immediate eviction and cancellation of all future reservations.
- To check-out return keys to Conference Center no later than 10^{AM} or noon for the RV Park on the date of departure. Check-outs after this time, which have not been coordinated with the lodging center, will incur an additional days' charge. A key drop is available in the front door of Building 600 for early departures.
